## All about...Bears!

### Welcome Song

Can't Wait to Celebrate By: Jim Gill

We clap our hands when we get together, clap  
our hands to celebrate.

Clap our hands when we get together,  
my friends and I can hardly wait.....

To stamp our feet when we get together...

To wave hello when we get together...

To bounce up and down when we get together...

To clap our hands when we get together...

The Tempo Marches On By: Jim Gill

We are marching to the rhythm, we are marching to the beat.

We are lifting up our knees and we are stamping down our  
feet. But the song keeps getting faster with each verse that  
we complete. The tempo marches on. Faster, faster, faster,  
faster, faster, faster, faster, faster, faster, faster, faster,  
the tempo marches on.

(Repeat two more times, faster each time)

### Felt Board Rhymes

Five Teddy Bears

Five little teddy bears dancing on the floor,  
One fell down and then there were four.

Four little teddy bears climbing up a tree,  
One found a bee hive and then there were three.

Three little teddy bears wondering what to do,  
One chased a bunny rabbit, then there were two.

Two little teddy bears looking for some fun.  
One took a swim and that left one.

One little teddy bear sitting all alone,  
He looked all around and then went home

### Goodbye Song

On my face I have a nose,  
and way down here I have ten toes.  
I have two eyes that I can blink,  
and I have a head to help me think.  
I have a chin and very near  
I have two ears to help me hear.  
I have a mouth that I use to speak,  
and when I run I use my feet.  
I have two arms to hold up high,  
and here's a hand to wave goodbye.
